Paolo Traverso – publication list

Text Book

Book Chapters

Editing of International Conference Proceedings

43. Paolo Traverso, Alessandro Cimatti, Luca Spalazzi, Enrico Giunchiglia, Alessandro Armando, MRG: Building planners for real world complex applications. In «APPLIED ARTIFICIAL INTELLIGENCE», vol. 4, 1995, pp. 401-412

International Conference Proceedings

77. Piergiorgio Bertoli, Alessandro Cimatti, Paolo Traverso, *Interleaving Execution and Planning via Symbolic Model Checking*. In ICAPS’03 Workshop on Planning under Uncertainty and Incomplete Information, AAAI, 2003, pp. 1-7 (ICAPS’03, Trento, Italy)

78. Piergiorgio Bertoli, Alessandro Cimatti, Marco Pistore, Marco Roveri, Paolo Traverso, *MBP: A Model Based Planner*. In ICAPS’03: system demo session, 2003

Last update: April 2016

98. Alessandro Cimatti, Marco Roveri, Paolo Traverso, *Strong Planning in Non-Deterministic Domains via Model Checking*. In Fourth International Conference on Artificial Intelligence Planning Systems [AIPS-98], 1998, (Pittsburgh, USA)

113. Fausto Giunchiglia, Alessandro Armando, Alessandro Cimatti, Paolo Traverso, *First steps towards provably correct system synthesis of system code*. In CADE-12 Workshop on Correctness and Metatheoretic Extensibility of Automated Reasoning Systems, 1994, pp. 28-30 (Nancy, France)

National Journals

National Conference Proceedings

136. Fausto Giunchiglia, Alessandro Cimatti, Sandro Dalbosco, Paolo Traverso, Luca Spalazzi, MRG: un sistema di ragionamento distribuito per applicazioni complesse. In Atti seconda giornata di lavoro del gruppo Intelligenza Artificiale Distribuita (DAI) dell’AI*IA, 1992, (Roma)
